PROFESSIONAL EXPERIENCE

Front-End Developer Intern

May 2025 – July 2025

Tcomarce Corporation, Dhaka

- Implemented responsive UI components for product categories including Body Massager, EMS Therapy Machine, Beauty Products, and Physiotherapy Equipment
- Reduced homepage initial load time by 30% through performance optimization techniques
- Decreased mobile bounce rate by 20% via responsive design and UX improvements
- Enhanced user engagement and conversion rates through flash sale UI redesign and implementation

FEATURED PROJECTS

E-sports Tournament Management System | HTML, CSS3, JavaScript, bootstrap 5 March 2025 – April 2025

- Implemented dual-view interface: public tournament standings and private admin dashboard
- Created full CRUD functionality for team management with real-time updates
- Integrated screenshot utility using html2canvas for sharing tournament results

E-Commerce Website | HTML5, CSS3, ReactJS, TailwindCSS

May 2025 – Jun 2025

- Built modern single-page e-commerce website with product listings and category-based filtering
- Implemented responsive layout with clear navigation and engaging shopping sections
- Developed reusable components for product display, cart preview, and promotional banners
- Deployed on Netlify with optimized assets for smooth performance on all devices

INDUSTRIAL ATTACHMENT & TRAINING

Creative IT Institute

September 2025 - November 2025

Frontend development with React

- **Mastered the React framework** with a focus on component architecture and state management (Hooks).
- Applied **modern development practices** including responsive design and performance optimization.
- Gained proficiency in **Git** and essential web technologies (**HTML5, CSS3, ES6+ JavaScript**).
